

2025 Maynard Nexsen LSAT PREP COURSE PROGRAM

Maynard Nexsen Annual LSAT Prep Course is geared to highly motivated students who intend to pursue a career in law and whose socioeconomic status presents barriers to enlisting in LSAT Prep Courses. Offered in an interactive virtual group setting, the class will present proven LSAT strategies and methods covering every skill tested on the LSAT exam. Acceptance into the program will be based on a completed application form, an undergraduate transcript, a resume, and a personal statement.

The LSAT Prep Course provides complete preparation by KAPLAN test prep instructors and KAPLAN's nationally-recognized review materials. The expert instructors will be teaching through a live virtual classroom, with the opportunity for teacher/student interaction. Participants must commit to attend every live session.

Maynard Nexsen will cover the cost for the KAPLAN LSAT Test Prep Course and the study materials for each student selected to participate. The firm will also reimburse students for the LSAT registration fee, contingent on excellent attendance and submission of test scores after taking the LSAT exam. In addition, we will also offer a few opportunities for participants to gather in person throughout the course.
